MID-CONTINENT CONFERENCE

Now in its 23rd year as an NCAA Division I athletics conference, the Mid-Continent Conference is coming off a year in which its student-athletes, coaches, administrators and teams continued to strengthen its reputation as a nationally competitive and well-respected league. The Mid-Con's member schools - Centenary College of Louisiana, Chicago State University, IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), Oakland University, Oral Roberts University, Southern Utah University, Valparaiso University and Western Illinois University - are located primarily in the Midwest's largest urban areas, and pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Mid-Con sponsors an all-time high of 19 championship sports, which includes: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's indoor track & field, men's and women's outdoor track & field, men's and women's tennis, and volleyball.

A brief review of the Mid-Con's highlights over the past two decades:

1982-83

The Association of Mid-Continent Universities is founded with "Frosty" Ferzacca as its first commissioner. The initial AMCU line-up includes Cleveland State, Eastern Illinois, Illinois-Chicago, Northern Iowa, SW Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay.

1983-84

UW-Green Bay and Eastern Illinois each play in the NCAA Men's Soccer Tournament, making them the league's first NCAA Tourney teams in any sport.

1985-86

Cleveland State earns the AMCU's first national recognition in the NCAA Men's Basketball Tournament. The 14th-seeded Vikings upset No. 3 seed Indiana on their way to a "Sweet 16" appearance. In addition, SW Missouri State begins a string of five consecutive postseason appearances by reaching the quarterfinals of the NIT.

1987-88

The AMCU sends two teams to men's basketball postseason play for the third straight season. Ferzacca steps down as commissioner and is replaced by Jerry Ippoliti. Eastern Illinois' Jim Maton is the league's first NCAA National Champion, as he wins the 800 meter run at the NCAA Indoor Track Championship.

1989-90

The AMCU sends a conference-record three teams to postseason play in men's basketball, including Northern Iowa, which upsets former No. 1-ranked Missouri in the first round of the NCAA Tournament. The AMCU changes its name to the now familiar Mid-Continent Conference.

1990-91

For the second straight season, the Mid-Con sends two teams - in this case, Northern Illinois and UW-Green Bay - to the NCAA Men's Basketball Tournament.

1991-92

The league announces that it will begin sponsoring women's athletics - strengthened by the membership of seven former

North Star Conference members - the following year with the debut of six championship sports. UW-Green Bay's Tony Bennett establishes the league's all-time scoring record in men's basketball and wins his second straight Mid-Con Scholar-Athlete of the Year Award.

1992-93

UW-Milwaukee wins the first Mid-Con-sponsored women's championship when it takes home the cross country crown. Northern Illinois makes the first NCAA appearance by a Mid-Con women's team in the NCAA Women's Basketball Tournament. Wright State's Brian Anderson is the third overall pick in the Major League Baseball draft after repeating as the league's Pitcher of the Year.

1993-94

Northern Illinois' volleyball squad posts the league's first women's NCAA Tourney win with a three-game triumph over Illinois State. UW-Green Bay upsets California in the first round of the NCAA Men's Basketball Tourney. Six schools depart the Mid-Con at the conclusion of the season.

1994-95

The league's revamped line-up includes Buffalo, Central Connecticut State, Chicago State, UMKC, Northeastern Illinois and Troy State. Jon Steinbrecher begins a league-record nine-year tenure at the Mid-Con helm when he replaces Ippoliti as commissioner. Valparaiso begins a string of five straight regular-season titles and six consecutive Mid-Con Tournament titles in men's basketball.

1995-96

Charter member Eastern Illinois departs the Mid-Con, but not until after winning its ninth men's outdoor track and field title, a record for all Mid-Con sports that still stands.

1996-97

Buffalo (cross country) and Valparaiso (volleyball) earn the first-ever "three-peats" in Mid-Con women's athletics.

1997-98

Oral Roberts and Southern Utah join the Mid-Con. Oral Roberts begins a string of six straight Mid-Con volleyball titles, and wins its first-round match in the NCAA Tournament by edging Arizona in five games. The Mid-Con becomes one of few NCAA Division I conferences across the nation to simultaneously run its basketball championships at the same neutral site. Valparaiso reaches the NCAA "Sweet 16", thanks to the efforts of NBA draftee Bryce Drew, who hits "The Shot" which eventually earns him an ESPY from ESPN. Youngstown State earns the first Mid-Con women's tourney win, topping fifth-seeded Memphis in the first round.

1998-99

IUPUI and Oakland begin competition in the Mid-Con. Western Illinois wins its eighth men's swimming and diving title. Associate member DePaul reaches the NCAA Softball College World Series, posting a third-place finish, and sets a Mid-Con single-season record with 54 wins.

1999-2000

Southern Utah finishes 21st in the NCAA Men's Cross Country Championship. Western Illinois softball reels off a 25-game win streak behind Mid-Con Pitcher of the Year Holly Killion, who sets Mid-Con records with 30 wins and 355 strikeouts.

2000-01

Oakland women's soccer player Anita Rapp - a two-time Mid-

Con Player of the Year (1999, 2001) and a WUSA draftee - earns a Gold Medal while playing for her native Norway in the 2000 Olympic Games. The Mid-Con renames its Women's All Sports Award for retiring Western Illinois Director of Athletics Dr. Helen Smiley.

2001-02

Southern Utah sweeps the Mid-Con cross country championships for the fourth straight year, while UMKC captures the conference's first-ever NCAA Men's Soccer College Cup win, a 2-1 overtime triumph over former league member UW-Milwaukee. Oral Roberts' Krista Ragan sets the Mid-Con women's basketball career scoring record (2,105), and becomes the first player in league history to earn four first-team all-conference citations in the sport. Valparaiso posts the biggest turnaround in NCAA women's basketball (from 7-22 in 2000-01 to 26-7 in 2001-02) on its way to reaching the quarterfinals of the WNIT. UMKC's Matt Voelker earns outdoor track and field All-America honors in the high jump.

2002-03

The Mid-Con sets a league record by sending four teams combined - IUPUI (NCAA) and Valparaiso (NIT) on the men's side and Valparaiso (NCAA) and Western Illinois (WNIT) on the women's side - to basketball postseason play. Oral Roberts' Marsha Dawkins earns All-America honors in the 400 meter dash at both the NCAA Indoor and Outdoor Track and Field Championships. IUPUI women's basketball player Tiffany Kyser is Indiana's recipient of the NCAA "Woman of the Year" award (she is also a finalist for the national award). Steinbrecher resigns as commissioner and is replaced by Ron Bertovich.

2003-04

Centenary begins Mid-Con play, lifting the league's membership to nine. The Mid-Con sends two teams (UMKC, Oakland) to the NCAA Men's Soccer College Cup for the second time in league history, and Oakland's swimming and diving programs set league records for consecutive titles when they sweep the Mid-Con Championships for the fifth straight time. UMKC's Michael Watson finishes his career as the league's all-time leading scorer (2,488) in men's hoops, while Oral Roberts' Caleb Green and Ken Tutt are the nation's highest scoring freshman duo. Valparaiso becomes the first program to repeat as the Mid-Con Women's Basketball Tournament champion. Oral Roberts sets a league record with 50 wins and finishes the season ranked in all four of college baseball's polls, while All-American Dennis Bigley is only the second player in league history to be named the Player and Pitcher of the Year in the same campaign. Southern Utah becomes the first Mid-Con school to sweep the men's and women's cross country and indoor and outdoor track and field crowns in the same year. Oral Roberts' Prince Mumba (800 meter) and Aubrey Martin (shot put) earn All-America honors at the NCAA Outdoor Track and Field Championship; Mumba runs for his native Zambia in the 2004 Athens Olympics, while Valparaiso's Joaquim Gomes plays for the Angolan Olympic basketball team. Martin and Oakland swimmer Chris Sullivan both compete in the U.S. Olympic Trials. Western Illinois wins a league-record fifth Commissioner's Cup. The Mid-Con Men's All Sports Award is renamed for retiring Valparaiso Director of Athletics Dr. William Steinbrecher.

SHREVEPORT-BOSSIER CITY

Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. Over 300,000 people reside in the metropolitan Shreveport area.

Shreveport is considered the geographical, cultural, and economic center of the region known as the Ark-La-Tex, encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of

the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Good Times Roll Festival, featuring music, art and food.

One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the Independence Bowl, held in late December. The annual football game, featuring a team from the Big

12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

That is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey and arena football, as well as basketball games and wrestling events. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley. Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area. From hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail, there is something for everyone.

Festival Plaza near Downtown Shreveport, where many gatherings are held throughout the year, such as the Mudbug Madness Festival and the Red River Revel.

Thanks to the Shreveport-Bossier Tourist Bureau for the information and picture found on this page.

CENTENARY ATHLETICS

Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 44 seasons with a .500 or better winning percentage, including the 2002-2003 campaign.

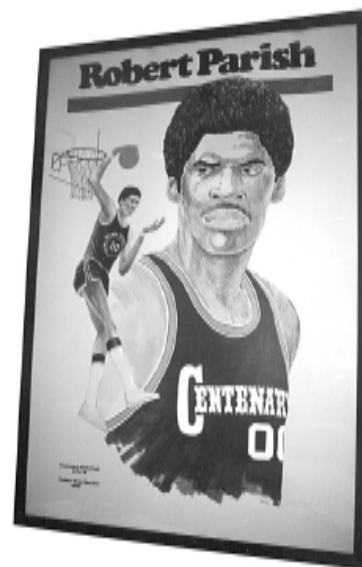

Hal Sutton '81

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. He is now a member of the Basketball Hall of Fame.

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted Nebraska, Texas A&M, Kansas, Arkansas, Alabama, Iowa, Kansas State and Boston College at Shehee Stadium with Michigan State, Indiana, and UConn among those teams scheduled to visit Shreveport in 2005.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams and served as captain in 2004.

Recently Centenary athletes

Robert Parish '76

have found their names at or near the top of the NCAA rankings. In 2000, women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 30 in assists and the top 50 in scoring during the 2001-02 season and in the top 20 in scoring and steals in the 2002-0 and 2003-04 campaigns.

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. The gymnastics team won the USAG National Championship, the women's soccer team has won over 65 percent of their matches in the 12-year history of the program, and, most importantly, Centenary's athletes graduate, ready for the real world in whatever field they choose.

For most teams, success on the field is the result of hard work and preparation. At Centenary, the formula is no different as not only do we receive great efforts from our athletes, but from coaches, administration, and alumni as well. As a result, the Gents baseball program enjoys fine facilities in which to train and compete.

Shehee Stadium has served as the home site for all Centenary baseball contests as far back as written history shows. Originally referred to as Centenary Park, the field was renamed in 2001 in honor of Peyton Shehee. Mr. Shehee and his family graciously donated the funds that allowed Centenary to erect a quality grandstand seating area along with a fully functional press box and sound system.

Various other upgrades and additions have been made to the baseball facilities over the past several years. A physical plant building was transformed in 2000 to house a new locker room and three offices for the baseball coaches and staff. New lighting standards were also erected for improved visibility during evening games.

In 2001, a new building for concessions and restrooms was added next to the playing field to provide a better overall experience for all fans that visit Shehee Stadium.

2002 brought on several upgrades to the field area itself. The chain-link fencing that surrounded the field was replaced with a green slatted fence that vastly improved the overall look of the playing field. The fall of 2002 brought a new outfield fence made of aluminum that replaced a weathered

and worn wooden fence.

The upgrades continued in 2003 as an unused space below the grandstands was enclosed and converted into a storage area. Just prior to the 2004 campaign, the dugout area was better secured with the addition of a padded rail-guard that serves as a barrier to prevent foul balls from entering the dugouts.

With contributions from generous alumni and friends of the college, the Centenary baseball program will look to continue to make a trip to Shehee Stadium an enjoyable experience for all of those involved.

The Sports Fitness Center is also a crucial component to the success of all of the Centenary Ladies and Gents programs. The \$10 million facility, remodeled and expanded, reopened in 2000 with state of the art weight and exercise machines. Players can workout in the facility both on their own and as a team. Other features of the Fitness Center include: hot tubs and saunas, dressing rooms, a pool, classrooms, dance studios, and courts for basketball and racquetball.

In the fall of 2002, the Wilhite Media Room was completed in the Gold Dome. The room features stadium seating, a projector, and sophisticated computer software that allows teams to edit game footage in order to better scout and review opponents. The Wilhite Media Room is most commonly used as a meeting room for teams and staff as well as a working room for the media during events held in the Gold Dome. All press conferences are also held in the room.

THE COLLEGE

Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.

In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.

Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses

offering inquiry in the humanities, mathematics, natural sciences, and social sciences. Additionally, all undergraduates participate in the Centenary Plan, which involves a service-learning project, career exploration, and an intercultural experience.

Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout

campus, as are numerous multi-media editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multi-media accessories, and software programs.

Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickel Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

Faculty

More than 90 percent of Centenary's faculty holds the highest degree in their discipline. There are 74 full-time and 41 part-time faculty members, with

a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.

Summary

Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.

MAGALE LIBRARY

DR. KENNETH L. SCHWAB President

Dr. Kenneth L. Schwab, President of Centenary College since 1991, has been firmly established as an excellent educator and administrator over nearly 30 years of service. During his career, Dr. Schwab has consistently applauded student athletes who pursue academics and sports with equal fervor, discipline, and high standards, and it is these characteristics that make Centenary Gents and Ladies stand out among their peers.

A tenured professor in the Department of Education, Dr. Schwab hails originally from Indiana where he received his bachelor's degree from Purdue University in 1969. He then earned his master's in guidance and counseling from the University of North Carolina-Greensboro in 1972 and his doctorate in higher education administration at Indiana University in 1978.

Though Dr. Schwab has held many administrative positions at Centenary and other institutions, he continues to pursue his own scholarship as well, publishing a book, numerous articles, and several institutional planning documents regarding presidential leadership and transformational change. Indeed, Dr. Schwab's keen interest in leadership and strategic planning helped Centenary's latest comprehensive campaign raise over \$100 million for the college. This amount exceeded the initial goal by over \$30 million, enabling Centenary to build two new music facilities as well as renovate residence halls and the fitness center.

These improvements do not merely benefit the campus, though. From the arboretum to the chapel, the playhouse to the library, recital halls to the Gold Dome, Centenary encourages student involvement, preparing scholars for active civic participation. This small liberal arts institution focuses on the student and endeavors to facilitate academic, athletic, and social development for the whole person. Our faculty and staff are committed to these goals, particularly for student athletes.

Dr. Schwab has actively involved himself with Centenary students throughout his tenure here. He team-taught Centenary's First-Year Experience program with the college's Chair of Liberal Arts one semester, and he travels with various Centenary groups like the college choir, always remaining a great Gents and Ladies supporter. In fact, he and the Centenary Gent mascot led the campus as they unveiled the new fitness center.

Active on-campus and off, Dr. Schwab participated in the Salzburg Seminar sponsored by the W.K. Kellogg Foundation, served as a European Community Visitor to the Commission of European Communities, and continued his scholarly work at Oxford, Johns Hopkins, and Harvard Universities. He also represents Centenary on a number of community and academic boards, including the Associated Colleges of the South Board of Directors.

Dr. Schwab's wife, Pat, earned her doctorate in education and now teaches a course each semester at Centenary. Their three sons (Kempton, Carlton, and Christopher) played select soccer throughout their school years.

Centenary President Dr. Kenneth Schwab cheers along with the students in the stands at the GoldDome

DIRECTOR OF ATHLETICS

TAYLOR MOORE
Director of Athletics

Taylor Moore, a Centenary alum and former owner of the Shreveport Captains baseball team, became the College's athletic director on July 1, 2003. Moore replaced Dr. David Bedard, who decided to return to the classroom as a professor of health and exercise science after serving as athletic director for almost four years.

A 1969 Centenary graduate and former Centenary baseball coach, Moore was president and majority owner of Shreveport Baseball, Inc., which operated the Shreveport Captains Baseball Club, until he sold the franchise in 2000. The Captains were a Double-A professional baseball club affiliated with the San Francisco Giants.

Moore has stayed active within the Centenary community, serving as a board member and former president of the Centenary Gents Club. In 2001 he received the Centenary Alumni Association's highest honor when he was named to the Alumni Hall of Fame.

Moore takes over a program that began play in the Mid-Continent Conference in 2003 after four years as an independent school. He will use his experience in leadership to make sure that Centenary athletics continues to grow and compete in its new home.

"Centenary has an exciting future ahead in athletics and I am pleased and honored to be able to have a part in it," Moore said. "I've been a member of the Centenary family for so long, I feel like I'm coming home. I have great respect for the College and its role in Division I competition."

Moore has been recognized with the Texas League Award of Merit for 25 years of leadership, the Shreveport-Bossier Advertising Federation's Award of Excellence, the Sports Foundation Sportsman of the Year Award and the *Shreveport Journal* Sportsman of the Year designation.

Long active in local civic affairs, Moore is a board member of the Frost Foundation, the Committee of One Hundred, Crimestoppers of Shreveport and Centenary College. Before taking over as athletic director, he served as secretary and member of the Executive Committee of the Centenary Board of Trustees.

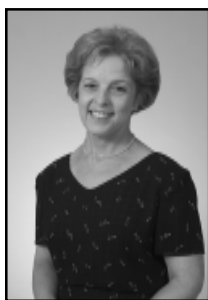

"Taylor Moore hit the ground running and we are fortunate to have someone of his caliber to lead us into this historic time for Centenary athletics."

Athletic Trainer
Dustin Bradstreet

Alan Edwards begins his ninth year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a bachelor of science in health and physical education. He earned his master's degree in exercise science at Northeast Louisiana University in 1993. Edwards' services are provided through a partnership between Centenary College and Christus Schumpert Health System.

Dustin Bradstreet begins his first year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a bachelor of science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a masters degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer's Association Board of Certification and has been in good standing since 2001.

Edwards and Bradstreet also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

Head Athletic Trainer Alan Edwards works on the back of a Centenary athlete.

David Pratt

Asst. AD-Sports Information Director

David Pratt is now in his sixth year as a member of the Centenary sports information department. After serving two years as an assistant, he was promoted to director of sports information in 2001. He is the primary media contact for men's basketball, gymnastics, volleyball, and men's and women's cross country. In addition, he assists with the maintenance of the Centenary athletics website and is the color commen-

tator for Gents baseball Internet broadcasts. Pratt oversees all athletic department media relations, publications, statistics activities, and game management efforts.

Pratt is a 1999 graduate of Centenary, earning his bachelor of arts degree in history. He was a shortstop on the Gents baseball team and a member of the history honor fraternity Phi Alpha Theta. He is presently a member of the Louisiana Sports Writers Association (LSWA) and the College Sports Information Directors of America (CoSIDA). His wife Keeley is a 2001 Centenary graduate, an assistant in the Centenary financial aid office, and the sponsor of the Centenary Leading Ladies Dance Team.

Pratt has continued his association with baseball by serving as a board member of the Shreveport-Bossier Men's Senior Baseball League.

Jeffrey Messman

Sports Information Assistant

Jeffrey Messman is entering his first year as Sports Information Assistant at Centenary. He is the primary media contact for women's soccer, women's basketball, men's and women's golf and baseball.

A Washington, D.C. native, Messman attended Pennsylvania State University before graduating from Marymount University (Va.) in 2003 with a Bachelor of Arts in Communications. During his studies at Marymount, he interned with the Washington Freedom of the WUSA women's professional soccer league during their 2003 championship season. He has also worked as an on-air statistician for Comcast and PAX cable networks and for the U.S. Women's National Soccer Team.

Meghan Tveter

Sports Information Assistant

Meghan Tveter is starting her first year as a Sports Information Assistant at Centenary. She is the primary media contact for men's soccer, men's and women's swimming, men's and women's tennis and softball.

Tveter graduated from the University of North Dakota in 2003 with a Bachelor of Arts degree in Communication. While at the University of North Dakota, she served a sports reporter for Studio One and as an intern for the North Dakota athletic department. She also was a member of PRSSA and an account executive for the student run public relations firm.

Originally from Grand Forks, ND., Tveter now lives in Shreveport.

HEAD COACH

ED MCCANN
Head Coach

Ed McCann is in his sixth year as a head coach of the Gents after spending two years as an assistant coach at Centenary. While this is McCann's sixth year as a college head coach, he also has 12 years of assistant coaching experience. McCann led the Gents to the TAAC tournament in the 1999 season, Centenary's last year in the TAAC (now the Atlantic Sun Conference).

McCann began his coaching career as the head coach of Manford High School in Oklahoma from 1979-86. He guided his teams to state playoff appearances from 1983-86 and won a state title in 1984. He was named Oklahoma Coach of the Year in 1985.

From there, McCann began his collegiate experience as an assistant at San Francisco State from 1987-91. McCann then moved on to Cal Poly-San Luis Obispo for the 1992-94 seasons and Ohlone College for the 1995-96 campaigns. He also was a volunteer coach at Stanford in 1992.

A Las Vegas, Nevada native, McCann attended Southeast Oklahoma State University where he graduated in 1977 with a double degree in physical education and english.

In high school, McCann was a three sport all-state athlete in football, wrestling, and baseball, and received All-American honors in football.

McCann, a former English teacher, has a strong commitment to his players' education. This commitment has helped his Gent squads to some of the highest team grade point averages in years.

"The guys have really gotten after it in the classroom over the past couple of years. It takes some adjustment time for a few players, but they realize the importance of good grades and what it can do for them after life on the baseball field."

McCann has excelled in his fundraising efforts on behalf of the baseball team and the athletic department. His accomplishments in this area are evident in the tremendous upgrade in facilities.

Under McCann's guidance, the baseball program has seen the construction of the Shehee Baseball Stadium completed. The three-year-old stadium includes seat-back chairs, a press box, and a sound system. In addition, McCann has successfully added new lights to the field, a brand new concession stand with restrooms, and a new outfield wall.

"The new facilities give the guys something to play for and they realize that they are beginning a new era in Centenary baseball," said McCann.

In the past five years the Centenary baseball program has come a long way under McCann's guidance.

"We have recruited excellent student-athletes both locally and nationally to help complete the turnaround of our program. In addition, with the improvements that have been made to our facilities, we are on our way to being a top-notch program."

McCann and his wife Debbie have two children: Brian and Chase.

Head Coach Ed McCann

ASSISTANT COACHES

Mike Diaz
Assistant Coach

Mike Diaz enters his first season as assistant coach for Centenary baseball. He serves as the hitting coach as well as supervising infield play and coaches third base. Diaz also oversees the team's strength and conditioning program in addition to working as the team's recruiting coordinator.

Prior to coming to Centenary, Diaz served as an assistant coach at Western Michigan from 2001-2004. Under Diaz, the Broncos finished second in the Mid-American Conference in fielding percentage (.969) in 2002 and in the NCAA top 30 in team batting average (.310) in 2001.

Before Western Michigan, Diaz coached in the Division III ranks with Kalamazoo College (2000-2001) and was a volunteer assistant at the University of Pacific (1999-2000). Diaz also has worked numerous baseball camps at Stanford, Kansas, and Albertson College.

Diaz played started his collegiate playing experience at Big Bend Community College from 1994-1996 where he was named First-Team All-NWAACC at second base. He then moved on to Albertson where he was a First-Team All-Cascade Conference selection as a second baseman and was a member of the 1998 NAIA National Championship team.

Diaz currently holds a Bachelor of Arts degree in History and Social Studies Education from Albertson and a Masters of Arts degree in Physical Education from Western Michigan.

Cory Burton
Volunteer Assistant Coach

Cory Burton begins his first season as a volunteer assistant with the Gents program. He works with the outfielders and catchers as well as assisting in hitting instruction. Burton also assists with recruiting, fundraising, and organizing camps.

Burton spent 2004 as a coach at Eastern Oklahoma State Junior College and has coached at Oklahoma State (2000-2001), Northeastern Oklahoma A&M Junior College (1999), and Riverside Poly High School (1998). He also has experience as a scout in the Cleveland Indians organization for the Southern California region.

Burton began his collegiate career at Riverside Community College where he played from 1994-1995 before signing with Oklahoma State. While with the Cowboys, Burton was a part of the 1996 team that went to the College World Series, and in 1997, Burton and Oklahoma State finished one game shy of a repeat trip to Omaha.

Jeff Poulin
Graduate Assistant Coach

Jeffrey Poulin enters his first season with the Centenary baseball coaching staff as a Graduate Assistant. He will serve as a pitching coach for the Gents while working towards his second masters degree.

Poulin began his collegiate baseball career at Hartnell Community College where he played in 1998 and '99 and was selected for the Northern California Junior College All-Star game following his sophomore year. After Hartnell, Poulin attended Centenary and played for the Gents in the 2000 and '01 seasons.

Poulin earned his B.A. in Psychology from Centenary and holds a M.A. in Counseling from Louisiana Tech.

CENTENARY GENTS 2005 PREVIEW

The Centenary Gents look to continue their success from the 2004 season and earn another berth to the Mid-Continent Conference Tournament. Now in their second season of competition in the Mid-Con, the Gents will be more accustomed to the style of teams they will face as well as much of the opposing personnel.

Although not the deepest of teams, Centenary has the type of quality players that will flourish with the opportunity of seeing consistent action on the diamond. The Gents will be put to the test early, as they face high-profile schools such as Northern Iowa, Michigan State, Indiana, Connecticut, and Arkansas. One of the biggest match-ups this year will be the March 2nd meeting with SEC preseason favorite LSU at the Christus Schumpert Fair Grounds Field Classic. The Tigers came into Shreveport last year as the #1 team in the country, handing the Gents a 9-3 loss.

Leading the Gents on the field will be senior **David Kiefer**, one of only two seniors returning. Kiefer moves over to shortstop after manning third base last season and is the only regular starter returning to the infield. He looks to improve on his .292 average last year and capitalize on the momentum gained from being named to the Mid-Con All-Tournament Team.

Joining Kiefer in the infield at first base will be **A.J. Howes**, a junior who saw time last year at first, third, and designated hitter. Moving from the outfield to second base is **Alex Valdivia**, who is also penciled in to be the leadoff man for the Gents. The junior leads all returners with a .447 on base percentage and led Centenary in walks last year with 42. Freshman **Beaux Waddell**, a local prep star out of Southwood High School, looks to start the season at third base. Senior **J.C. Biagi** should also see some time at the hot corner while Waddell gets accustomed to the extended collegiate schedule.

Fortunately for the Gents, one of their deeper positions this year is behind the plate. Freshman **Alex Moldonado** and junior **Justin Darr**, returning after sitting out the 2004 season, will split time with the catching duties. Moldonado's defensive abilities will make it almost impossible to keep him on the bench, but Darr's bat will almost ensure him a spot in the batting order as the designated hitter.

In the outfield, **Tim Ryan** brings his fielding prowess and big bat to roam centerfield. The junior transfer from Highland CC looks to fill the heart of the order with a combination of speed, power, and consistency. Joining him will be **Jared Vincent** in left and **Jonathan Colgin** in right. Vincent, a sophomore from Monroe, played solidly as a freshman last year, batting .293 with 58 hits and 45 RBI. Colgin, another local product from

Airline High School in Bossier City and Bossier Parish CC, brings power to the cleanup spot to protect Kiefer and Ryan in the order.

Don't count out sophomore **Jonathan Ahearn** and **Chris Wilson**, as both hitters plan to crack the lineup often this year. Ahearn can play a multitude of positions, but will most likely see action at first and as the designated hitter. Wilson, a freshman from Rancho Cucamonga, California, has a big bat and will see plenty of time in the outfield as well as at the DH spot.

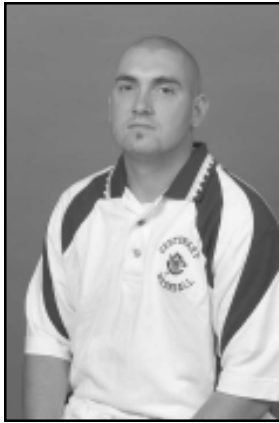

With a bevy of newcomers on the mound, look for Centenary to experiment with several different options in the rotation. Junior transfers **Kris Calhoun**, **Cam Feightner**, and **Jonathan Christian** look to begin the 2005 season as starters. First out of the bullpen will be either **Chad Harper** or **David McElroy**, but expect both pitchers to log quality starts throughout the year. Returning sophomores **Brandon Fulencheck**, **Will Kaage**, **David Kees**, and **Steven Rodriguez** will all see action out of the bullpen as well as newcomer **Matt Clark** and senior Biagi. Fulencheck and Kaage may also see time on the starting mound while Biagi works his way back into a starting job after redshirting last year with an injury.

One of the more helpful aspects of the coming year for the Gents will be their schedule. Playing 53 games, all but 14 are to be played at the friendly confines of Shehee Stadium. Centenary faces conference foes Oral Roberts, Valparaiso, and Western Illinois away and one game each against local rivals Louisiana-Monroe and Northwestern State.

Also important is the fact the head coach **Ed McCann** has brought in a new coaching staff this year. **Mike Diaz** comes to Centenary after most recently coaching at Western Michigan, and played on the 1998 NAIA National Championship team at Albertson. **Cory Burton** comes joins the Gents after coaching at Eastern Oklahoma State JC and played in the College World Series with Oklahoma State in 1996. Rounding out the coaching staff is graduate assistant **Jeff Poulin**, a former Gent pitcher from 2000-01.

Look for the Gents to make a big splash this year in the baseball world, surprising big-named teams while they get ready for conference play. According to a preseason poll conducted by the league's seven coaches, Centenary was selected to finish fourth in the Mid-Con behind defending league champion Oral Roberts (6 first place votes), Western Illinois (1 first place vote), and Southern Utah. After the Gents are Oakland, Valparaiso, and Chicago State.

CENTENARY GENTS 2004 REVIEW

The 2004 season marked Centenary's return to conference play after a four-year stint as an independent. As a member of the Mid-Continent Conference, the Gents left their mark in their inaugural season as they qualified for the Mid-Con Tournament and finished in third place with a 10-11 conference record. The Gents ended the season with a 23-31 overall record, and they showed marked improvement on the road where they won 11 games after winning only two the previous year.

Offensively, a group of four seniors keyed the Gents success most notably First Team All-Mid-Con selection **Blake Adkison**. The Gents first baseman led the team in nearly every offensive category including batting average (.395), doubles (17), home runs (16), RBIs (58), total bases (140), slugging percentage (.757), and on-base percentage (.489). Shortstop **Tony Cardone** finished his college career on a high note as he finished second with a .377 batting average, a career high, and led the team with 78 hits. Centerfielder **Bobby Gilliam** and second baseman **Jesse Newell**, both Second-Team All-Mid-Con selections, hit .324 and .303 respectively.

On the mound, a trio of seniors anchored the Gents pitching staff. **Kevin Willborn** was Centenary's top hurler as he led the team in ERA (4.55) and complete games (3) while finishing second on the staff with five wins in 87 innings pitched. **David Ruffing** finished as the Gents win leader with 8 victories, and he recorded two complete games while logging 86 innings of work. **Kevin Cassidy**, who served as a starter and later shifted to the bullpen, led the team in appearances (19), saves (3), innings pitched (89), and strikeouts (69).

The Gents newcomers also made an impact in 2004 as two freshmen made big impressions in their Division I debuts. **Jared Vincent** started 53 games in the outfield and batted .292

with 16 doubles, four home runs, and 45 RBIs. Pitcher **Will Kaage** compiled a 3-1 record while making 15 appearances, including eight starts, after moving into the role of weekend starter in the second half of the season. Junior transfer **David Kiefer** took the reins at thirdbase, compiling a .292 batting average with 57 hits and knocking out six homeruns. He was named to the Mid-Con All-Tournament team as well as Academic All-Mid-Con.

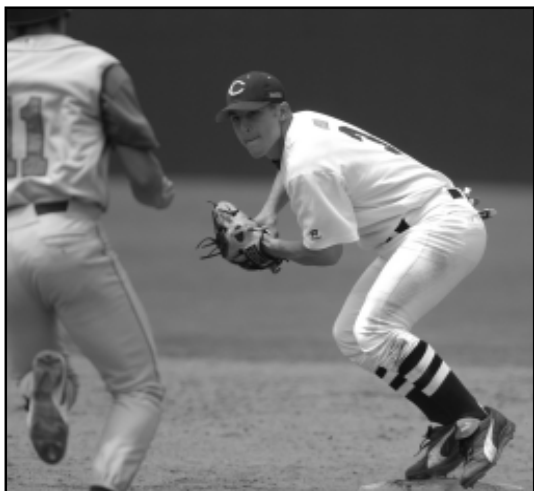

Three seniors finished their playing careers at Centenary as the All-Time leaders in numerous statistical categories. Cardone finished first in school history with career records in games played (212) and hits (236) while coming in second in at-bats (720). Gilliam set multiple school records for career walks (136), stolen bases (79), runs (184), and at-bats (747), and he finished second behind Cardone with 226 career hits. Cassidy set career records for innings pitched (295.1) and strikeouts (218) while finishing tied for third with 18 wins.

The Gents started the season by taking two of three from Prairie View A&M on opening weekend, and they finished off the month of February by winning two of three from the Iowa Hawkeyes, a member of the Big Ten Conference. The Gents played nearly .500 baseball for the rest of their non-conference slate until they ran into a tough stretch at the beginning of April where they lost 8 of 11 games.

In Mid-Con play, the Gents dug themselves into an early hole as they dropped three of four games to Valparaiso at Shehee in their first conference series. The Gents got back on track the following weekend after they rebounded to win three of four against Chicago State on the road. After losing two games to #22 Oral Roberts and having the final two games of the series rained out, the Gents went on to split consecutive conference matchups by taking two games apiece from Western Illinois and Southern Utah.

The Gents came on strong late as they took two of three games from the Oakland Grizzlies in the final weekend of the season to secure their first ever appearance in the Mid-Con Tournament. In the tournament, which the Gents hosted at Shehee Stadium, Centenary went two-and-out as they dropped close games to #2 seed Western Illinois (5-3) and #4 seed Southern Utah (7-4).

Centenary faced two College World Series participants, Arkansas and Louisiana State, in the 2004 campaign. The Gents dropped two games in Fayetteville to the Razorbacks, including a one-run loss (10-9) in which the Gents jumped out to a 5-0 lead in the first inning. Against LSU at Fairgrounds Field in Shreveport, the Gents hung with the Tigers, the #1 ranked team at the time, through six innings before losing a 9-3 decision. The Gents also played host to other power conference schools in 2004 including Alabama from the SEC and Kansas State from the Big 12.

MEDIA INFORMATION

The 2005 Centenary College baseball media guide is designed to aid in your coverage of Gents baseball. Requests for media credentials to all home games should be made at least one day in advance. Media credentials and photography passes are for admittance to Shehee Stadium and are limited to working press only. At home games, the media will be provided with rosters and updated statistics.

Please direct any questions regarding credentials, interviews or team information to Sports Information Assistant Jeffrey Messman or Sports Information Director David Pratt at (318) 841-7260. As always, we welcome your coverage of Centenary baseball.

CREDITS

The 2005 Centenary College baseball media guide was designed and written by Sports Information Assistant Jeffrey Messman with assistance from Sports Information Director David Pratt and Sports Information Student Intern David Kiefer. Action photography provided by Jim Hudelson and Greg Pearson. Portrait photography provided by Lawrence Lea Photography.
